

## [Enhver krise i et parforhold kan være en ny start](#) [1]

**See this with your partner. What do you recognise? Where does this happen in your relationship? We need to understand the relationship map to start untangling.**

The film "What is Love?" offers knowledge and inspiration from world leading relationship counsellors and brain scientists to give you the chance of doing something different.

Can there be a meaning to the struggle? By giving some answers to why it happens you are given a chance to change. You are given a chance to do something different and thus a different outcome.
